Case No: 25-CV-842-SPM

APPENDIX A – TIMELINE OF EVENTS

EXHIBIT X

Ongoing Due Process Failures and Judicial Misconduct in Madison County Family Court Case  
No. 22-DC-325

---

Judicial Background – Judge Hackett (Cases 22-DC-325 and 25-OP-611)

Judge Hackett presided over the family law case 22-DC-325 involving Plaintiff Jeffrey Luffman. Throughout the course of this litigation, Judge Hackett demonstrated a pattern of:

1. Procedural inaction, with numerous motions submitted by Plaintiff since November 26, 2024 remaining unruled as of May 27, 2025;
2. Failure to ensure proper court recording procedures, as required under Illinois Supreme Court Rule 46, with at least three unrecorded hearings producing substantive orders;
3. Issuing orders without resolving a pending judicial recusal motion, creating a direct conflict with established due process rights.

In a move that further underscores the appearance of impropriety and institutional coordination, Judge Hackett was also selected to preside over the subsequently filed Order of Protection case, 25-OP-611, which targeted the same plaintiff. This OOP case resulted in:

A two-year “No Contact / No Stalking” order entered on May 22, 2025,

Despite procedural irregularities including lack of service,

And was issued even though prior court records showed the related matter as terminated.

This cross-assignment raises serious concerns regarding judicial neutrality, forum manipulation, and retaliation under color of law—especially given that:

The OOP blocked the Plaintiff from submitting Freedom of Information Act (FOIA) requests,

The hearing was not recorded, per confirmation from Court Reporter Sara M. Sapp,

And the order itself was issued during a period in which the judge refused to rule on a pending motion to recuse in the original family law case.

Taken together, Judge Hackett’s conduct across both matters contributes directly to Plaintiff’s claims of systematic due process violations, civil rights retaliation, and judicial misconduct under 42 U.S.C. §§ 1983 and 1985.

#### Appendix A Exhibit X1 – Judge Hackett’s Unruled Motions (Procedural Neglect)

The docket in Case No. 22-DC-325, assigned to Judge Hackett, shows a pattern of judicial inaction and procedural suppression. Since November 26, 2024, over a dozen motions and filings submitted by Plaintiff Jeffrey Luffman remain pending with no ruling. These include:

Motion for Psychiatric Evaluation for the Child (11/26/2024)

Motion to Strike Order for Mediation (11/27/2024)

Motion for Contempt (01/02/2025)

Motion to Discharge Attorney (4/16/2025)

Motion for Protective Order (4/17/2025)

Motion for Procedural Clarification and Due Process Notice (4/23/2025)

Emergency Motion to Remove GAL (4/21/2025)

Motion to Compel Financial Discovery (4/21/2025)

Motion for Judicial Recusal with Exhibits A–F (5/15/2025)

As of May 27, 2025, Judge Hackett has failed to issue rulings on these motions, violating Plaintiff's right to a timely and impartial judicial process. The ongoing delays are compounded by orders issued during this period without resolving the recusal issue.

Appendix A Exhibit X2 – May 22, 2025 Improper Order of Protection

Despite the docket record showing termination of the related order of protection case, Judge Hackett presided over a hearing on May 22, 2025, that produced a new two-year "No Contact / No Stalking" order against Plaintiff Jeffrey Luffman (Case No. 25-OP-611). The order:

- Was entered without proper service, violating procedural requirements,
- Bars Plaintiff from submitting FOIA requests related to Collinsville CUSD #10,
- Expands judicial interference into First Amendment and FOIA statutory rights,
- Contains no hearing transcript or recording, per the Madison County Reporter Coordinator.

This constitutes a retaliatory abuse of process, further supporting claims under 42 U.S.C. §§ 1983 and 1985.

Appendix A Exhibit X3 – Failure to Record Three Substantive Hearings

Per email correspondence with Official Reporter Sara M. Sapp, Judge Hackett failed to record at least three hearings that resulted in substantive orders:

1. February 19, 2025 – Appointment of GAL Michael Wesley
2. May 14, 2025 – Hearing that resulted in , a court ordered psychiatric evaluation for the petitioner, a GAL directive and future scheduling
3. May 22, 2025 – Hearing that resulted in a two-year Order of Protection (see X2)

According to Ms. Sapp, no request for recording was made, and no live reporter was dispatched, which contradicts Illinois Supreme Court Rule 46 requiring courts to maintain a record in substantive family court proceedings.

---

This pattern reflects systematic procedural deprivation in an ongoing custody and civil rights matter, further supporting the Plaintiff's federal claims and providing independent grounds for judicial accountability, civil rights violations, and injunctive relief.

Executed this 27th day of May, 2025.

Respectfully submitted

/s/ Jeffrey Luffman

NOTICE #835

ANY KNOWING VIOLATION OF A STALKING NO CONTACT ORDER IS A CLASS A MISDEMEANOR. ANY SECOND OR SUBSEQUENT VIOLATION IS A CLASS 4 FELONY.

NOTICE TO LAW ENFORCEMENT AGENCIES AND OFFICERS

Any law enforcement officer may make an arrest without warrant if the officer has probable cause to believe that the person has committed or is committing a violation of a stalking no contact order (740 ILCS 21/130 (a))

FINDINGS (Emergency Order)

The Court finds that good cause exists for granting the remedy regardless of prior service of process or notice upon the Respondent, because the harm which that remedy is intended to prevent would be likely to occur if Respondent were given any prior notice or greater notice than was given, of Petitioner's efforts to obtain judicial relief.

FINDINGS (Jurisdiction)

The Court finds that Respondent:

- has been served with process and notice pursuant to statute.
- has entered an appearance in this case.
- is present in court, in person, and/or with counsel, \_\_\_\_\_
- is in default.
- has filed an answer.

The court finds that the Petitioner:

- has diligently attempted to complete service of process, has not been able to serve Respondent, and has given notice by publication (service completed 30 days after the first of three publication notices). Reasonable efforts to accomplish actual service has been shown by evidence or affidavit (740 ILCS 21/60 (c)).

FINDINGS (General)

In granting the following remedies, the Court has considered all relevant factors, including but not limited to the nature, severity and impact on the Petitioner of Respondent's two or more acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of Petitioner, including Respondent's concealment of his/her location in order to evade service of process or notice, and the likelihood of danger of future acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets of the party to be protected.

The Court further finds that:

- Venue is proper (740 ILCS 21/55).
- Upon examination of the Verified Petition, Petitioner under oath, and other evidence, Petitioner is a victim of two or more acts of following, monitoring, observing, surveilling, threatening, communicating or interfering or damaging property or pets by Respondent.
- The victim is unable to bring this Petition on his/her own behalf due to age, health, disability, or inaccessibility (740 ILCS 21/15(b)).
- The parties stipulate to a factual basis for the issuance of a Stalking No Contact Order.

**IT IS ORDERED THAT:**

1.  Respondent is prohibited from threatening to commit or committing stalking personally or through third party.
2.  That the Respondent may not contact the Petitioner and/or other protected persons in any way, directly, indirectly or through third parties, including but not limited to, phone, written notes, mail, e-mail, or fax.
3.  That the Respondent be ordered to stay at least 100 feet away from the Petitioner and/or other protected persons, residence, school daycare, employment and any other specified place. That Respondent be prohibited from entering or remaining at the Petitioner's and/or other protected persons':

place of residence, located at Not Disclosed

place(s) of employment, located at All Collinville CUSD school property and events wherever located

school(s) and/or daycare, located at \_\_\_\_\_

and any of the following specified places, when Petitioner and/or other protected persons are present:

4.  That the Respondent be prohibited from possessing a Firearms Owners Identification Card, or possessing or buying firearms.
5.  Other injunctive relief as follows: prohibited from contacting petitioners on work or personal phones, email, or other communication platforms, prohibited from naming petitioners in social media and emails to third parties. See attached for additional relief.

If petitioner is requesting costs and/or attorney fees, petitioner shall file a motion and itemized bills and invoices within 30 days of this order.

This order can be extended upon notice filed in the office of the Clerk of this Court and a hearing held **prior to the expiration of this Order**. NOTE: To ensure adequate time for a hearing, it is recommended that Petitioner seek an extension at least three (3) weeks prior to the expiration of this order.

## ORDER

Additionally,Respondent is additionally precluded from submitting Freedom of Information Act requests to Collinsville CUSD 10 that have no relation to his child.This ruling is supported by the intent of Section 1 of 5 ILCS 140/1, Freedom of Information Act, "this Act is not intended to ~~cause~~ disrupt the duly undertaken work of any public body..." and the purpose of FOIA.Additionally no evidence or testimony is presented to the contrary. Respondent offers no argument as he fails to appear.Petitioner presents as evidence what the Court deems to be frivolous and harassing correspondence quised as FOIA Requests. This Court cannot construe the FOIA statute as an avenue for one to lodge complaints, harass or intimidate the recipient. Simply because the correspondence takes the form of a FOIA request, does not allow the Petitioner to circumvent this Order. This Order shall not be construed to limit requests specific to Respondent's child.Date 22 MAY 2025

I just checked through Judge Hackett's recordings from May and I do not see anything related to this matter. I also checked with my supervisor to be sure she didn't send a live reporter to anything in your OP case, and she did not. If I'm mistaken on the May hearing date, let me know and I can check another month as well.

Thanks!

Good Morning, Mr. Luffman,

Normally, a record always has to be requested, either by one of the parties or their attorney if they have one. I just checked Judge Hackett's recordings from February and I do not see anything for

your case there. If a different judge heard your case that day, let me know and I can check there as well. But, if you were with Judge Hackett, there's nothing recorded for that date.

Thanks!

Hello Ma'am. I understand. Can I get copy of the transcripts for 19 February 2025 case management hearing that resulted in the appointment order for GAL Michael Wesley please?

Mr. Fahrenkamp represented me at that hearing that produced the substantive order for the GAL, would that require anyone to request the hearing be recorded?

Thank you,

Hi again, Mr. Luffman,

I just checked with Judge Hackett, and he let me know that your hearing this morning was not requested to be on the record, so there is no recording for me to pull.

Just so you have the info going forward, not every proceeding in this courthouse goes on the record by default. Typically, you'll need to make a request to the Judge that a record be made if you think you will want a transcript. If a court reporter is available, we'll come to the courtroom and take the record. Since there are only a few of us, if no court reporter is available at that time, the Judge will record it so it can be transcribed later.

If there's anything further I can assist you with, just let me know.

If you haven't already written the check, a \$300 deposit is fine. If you've already written it out, no worries, I will refund you the appropriate amount when I have the transcript finalized.

Good Morning, Mr. Luffman,

My supervisor let me know that you would like a copy of the transcript from your October 18, 2024, hearing in front of Judge Hackett. Since there was not a court reporter present, it was recorded and will need to be transcribed, so I do not have the final page count at this time. However, I can tell from the length of the video that it will be around 100 pages. Per state page rates, I would need a deposit of \$400.00 to begin work on this particular transcript.

If you'd like to proceed, please pay the attached invoice by check, either by mail or in person on the 4<sup>th</sup> floor of the courthouse at the Chief Judge's Office.

Thank you!
